Dear Ms. Hassum,

Thank you for your congratulatory message.

I welcome the opportunity to work with you and to continue the important work we began during our government's previous mandate. Our investments in postsecondary education, apprenticeship, and training during the past four years, together with the new employment and training services offered through Employment Ontario, give us a strong foundation for the work still to be done.

It is my intent to visit every Ontario campus as early as possible in the New Year and to meet with college and university student groups. In the coming weeks, my staff will be in touch with you to discuss meeting arrangements. If you have any questions in the interim, please contact Diana Guido in my office by telephone at 416-326-1259, or by email at [diana.guido@ontario.ca](mailto:diana.guido@ontario.ca).

I look forward to meeting with you in the coming months and to working with you to continue to enhance Ontario's postsecondary system.

Thank you again for writing.

Sincerely,
